

The Spanish Water Dog Club

Breed Health Survey 2010

The Spanish Water Dog Club wishes to gather information on the health of Spanish Water Dogs and would very much appreciate it if you could take a few minutes to fill in this survey. We would like both members and non-members to take part in order to give a broad picture of the current health of the breed. Results will be collated in the form of statistics and published for all to see. Personal details will remain confidential and will not be published. Data and results will be added to the breed archives.

Your input is of paramount importance to this survey and any help you can give us, now and in the future will be of long term benefit to the breed.

Please use one form for each dog you own. Feel free to copy as many as you require.

We would appreciate it if you could also complete the survey for dogs that you have lost.

Owner's Details

Name(s).....

Address.....

.....

Phone No..... Mobile..... Email.....

Membership No(s).

Registered Name of Dog	Pet Name	DOB	M/F	Colour
